ABOUT US

One team for every system your business runs on.

From the website that brings customers in to the billing that collects the money — we design, build and look after the software, so it fits how you actually work.

HOW WE WORK

01 Scope written down, price fixed

02 Deployed weekly, not revealed at the end

03 Migration and training are part of it

04 Handover assumes we might leave

05 We say the unprofitable thing

06 No lock-in, ever
